SPONSORSHIP OPPORTUNITIES

The Institution of Engineers of Kenya (IEK) is the learned society of the engineering profession in Kenya and co-operates with national and other international institutions in developing and applying engineering to the benefit of humanity. The institution is set to hold its annual convention in November 2022.

The Convention entitled **“Sustainable Engineering in the Era of Climate Change”** is scheduled for November 21st - 25th November 2022 at Diani Reef, South Coast. Within the convention there shall be other sub events namely: the 5th Women Engineers Summit themed **“360° Women Engineers: A Catalyst for Change”**, 1st Future Leaders Summit themed **“Back to Basics”** and a side event for Male Engineers themed **“Reinvention towards a Sustainable Future”** which are all scheduled as parallel activities from 21st - 22nd November 2022.

The convention shall be attended by engineers from different parts of the world as well as local and student engineers among other professionals who would benefit from the event.

The organizing committee wishes to invite sponsors, exhibitors and collaborating partners to take up sponsorship opportunities from the categories presented below:

COVID19 TRAVEL REQUIREMENTS

1. All arriving passengers into the country are required to be in possession of a COVID-19 vaccination certificate uploaded on the panabios system.
2. All travelers above the age of 12 years arriving into the country through any point of entry will be required to show proof of either COVID-19 vaccination or a negative PCR test conducted not more than 72 hours before departure. *NB: Vaccination means having received the prescribed doses of specific vaccine latest shot at least fourteen (14) days before arrival (not including the day of vaccination).*
3. Travelers below the age of twelve (12) years shall be exempt from the requirements of a vaccination certificate or PCR test.
4. All unvaccinated travelers above the age of twelve (12) years arriving at any port of entry into Kenya must have a negative COVID-19 PCR test result conducted not more than 72 hours before departure, regardless of the route of entry. Travelers below the age of twelve (12) years are exempted from this testing requirement.
5. Any traveler above the age of twelve (12) arriving at any point of entry with no proof of vaccination or a PCR test or those with flu-like symptoms shall be subjected to a rapid antigen test at their own cost of 30 USD. Any person who tests positive on antigen RDT will be subjected to entry PCR test at their own further cost of 50 USD and self-isolate as per MOH guidance on isolation. Travelers below the age of twelve (12) years are exempted from this testing requirement.
6. With effect from 1st Sept, 2022, Only travelers arriving at any port of entry into Kenya with flu-like symptoms will be expected to fill the passenger locator form on the 'jitenge' platform. They will also be required to take a COVID-19 PCR test upon arrival at their own cost.
7. Passengers traveling out of the country, will be required to abide by the particular travel, health and COVID-19 related requirements of the transit and destination country
8. Pre-departure RDT or PCR testing may be considered at the discretion of any of the airlines departing from or terminating in Kenya.
